GONE BUT NOT FORGOTTEN

Donald (Don) Currie age 73

We were sad to hear of Don's passing at Campbell House Hospice

Collingwood on March 21, 2024 with his family at his side. Don was our Maintenance Director for a couple of years at Prime Time Club, a very happy smiling person always willing to help out whenever needed. He enjoyed time spent playing snooker with his pals at the club.

We send out our sincere condolences to Michelle and Family.

Cremation has taken place and a Celebration of Life will take place this summer.

Donna Gray age 81 on March 26, 2024

It is with deep sadness that I write of the passing of a dear lady. Donna passed peacefully after a short battle with cancer at home with Palliative care in attendance, with her family at her side.

Donna had a bubbly chatty personality and was friendly to all who met her. She was a Honourary member of the Prime Time Club and one of our Keep Fit ladies.

Cremation has taken place and a Celebration of Life will be held in May. A notice will be posted on the bulletin board.

I am currently working with a group in Wasaga Beach called Village of Hope. They provide lunches, personal hygiene products, socks, hats, mitts, winter coats, etc. twice a week to those in need. It's run entirely by hard working volunteers and totally funded by donations from people who want to help in some small way, those who are struggling in this difficult economic climate.

A small group of us are working on making mats from the 4-litre plastic milk bags. The mats help keep people dry and hopefully give a little comfort when sleeping on the cold, wet ground.

We have the knowledge and hands to make the mats, but each one takes at least 400 plastic milk bags!! **WE NEED MILK BAGS! I'm asking if you might donate your milk bags. They can be dropped off at the Club. (I'm going to provide a container in the lobby to put them in).**

The process of turning the bags into "plarn" to make the mats is labour intense, so if at all possible I would ask if you could open your bag and allow it to dry on the inside before folding it (or even better, if it smells, if you could give it a quick wash and let it dry). This will save a few steps for me, of having to wash, dry and then hang the bags all around my home and it will honestly save at least 3 hours labour per 150 bags.

Thanking you in advance so much for your help ...it really does take a Village.

Warm regards,

Judy Cabell

If you enjoy singing we need you! We have a whole new selection of songs to sing but are still open to suggestions.

Some of the songs are in 2 parts or 4 parts so we need extra numbers to sing them.

It is exciting to be able to sing with a group and we have been invited to entertain at a couple of retirement homes. There is an extra charge of \$2.00 or \$3.00 for our activities.

Come and help us if you dare!

Greetings, Everyone!

The Wasaga Beach Ministerial Food Bank is asking members to donate **cereal** and **canned vegetables** this month. You may see additional requests on their Facebook Page (<http://www.facebook.com/WasagaBeachMinisterialFoodBank>) but this is what we've been asked to prioritize for April. Thank you to those who contributed peanut butter and jam in March. Your donations are appreciated.

You can bring them to the PT Club and place in the existing food bank bin which I'll monitor or donate directly to the food bank during operating hours (Tuesdays from 10 am to 1 pm and Thursdays from 10 am to 1 pm and 6:30 pm to 8:30 pm).

NUTRITION FACTS

MYTH: Fresh fruits and vegetables are healthier than frozen or canned.

FACT: Research shows frozen and canned foods are as nutritious as fresh. In fact, since lycopene is more easily absorbed in the body after it has been processed, canned tomatoes, corn and carrots are sometimes better nutrition choices.

MYTH: Eating just before bedtime is fattening.

FACT: What you eat, not when, makes the difference. Calories have the same effect on the body no matter when they are consumed.

Happy to report that we have a few new members joining us...

The April birth month flower is the daisy
and the sweet pea is the flower of goodbyes.
The daisy stands for innocence, purity, and true love,
while the sweet pea is a way to say goodbye,
send good wishes,
or merely convey a thank you.
