NOVEMBER 2023

GONE BUT NOT FORGOTTEN

Janice (Jan) Ware age 87

Passed at home with husband Charlie and family at her side on September 30, 2023.

Jan was one of the Matriarchs of Wasaga Beach, with many accolades for her service as a volunteer. For 10 years she was an ambassador for the Chamber of Commerce as the Welcome Wagon Lady, delivering gifts and information to new residents in town and eight years as Seniors' representing for the Chambers.

Jan received the Order of Wasaga Beach in 2015 and Senior Citizen of the Year for the four following years.

Her love of golf was well known, as she was a representative and secretary of the Golf Association of Ontario for the Huronia District, and 10 years with Marlwood Golf ladies' league.

Jan was our Membership Director at the Prime Time Club for 8 years along with her hubbie Charlie as her assistant for the many hours that was required with this position.

Due to health issues Charlie and Jan moved to Cobourg, ON to be near her daughter.

She had a strong, outspoken personality, a force to be reckoned with... we always looked forward to our Executive meetings where she brought us up to date on town gossip and tidbits that were circling around town. We miss you, Jan!

Our condolences go out to Charlie, Cathy, Chris, Michael and family.

A private cremation was held for Family. A Celebration of Life may be held in the future.

James (Jimmy) Lupton age 94

Passed at Collingwood Hospital October 1, 2023.

Jim was a Honourary member of Prime Time Club and enjoyed playing snooker with his Wed morning mates. He sang in the choir and played the accordion in a little band at the Presbyterian Church.

Jim's claim to fame and in what he took great pride was in his addressing the Haggis on Robbie Burns Day and his audience loved the words that rolled off his tongue. In his younger years in Scotland, Jim loved the sport of boxing and continued to box in competitions for the Armed Forces. His will to live was strong and we will remember him on Remembrance Day as one of the last of our generations' Gentleman. Another Veteran has passed. We Salute you and thank you for your service.

Jim was cremated and a Celebration of Life was held at Prime Time Club on October 14, 2023.

Greetings from the PTC Library

The elves have been busy putting the newly donated books into the New Book section. Please remember when signing out to PRINT your name and the NAME OF THE BOOK as well. It would be helpful. Just a word about the donations.....we do not accept self help books even though they might contain good information about how to find a new man. As well, books in disrepair, mouldy, missing pages or are from your college days (Yup! We get those too!!) need not be put into the donation pile. Many thanks! We have an amazing Library and we hope that you are enjoying it. HAPPY READING!!

NEW BOOKS AT THE WASAGA BEACH LIBRARY

The Longmire defense by Craig Johnson

Deep in the heart of the Wyoming countryside, Sheriff of Absaroka County, Walt Longmire, is called to a crime scene like few others that he has seen. This crime brings up issues that go back to Walt's grandfather's time in Wyoming, as the revelations he learns about his grandfather come back to offer clues and motives for Walt's investigation. Filled with back-country action, and with the great cast of characters that readers have come to love with the Longmire series, this new book will be sure to satisfy both long-time readers and those new to the series.

Enchanted to meet you by Meg Cabot

It's Magic When You Meet Your Match In her teenage years, lovelorn Jessica Gold cast a spell that went disastrously wrong, and brought her all the wrong kind of attention—as well as a lifetime ban from the World Council of Witches.

So no one is more surprised than Jess when, fifteen years later, tall, handsome WCW member Derrick Winters shows up in her quaint little village of West Harbor and claims that Jess is the Chosen One.

She's the Chosen One Not chosen by West Harbor's snobby elite to style them for the town's tricentennial ball—though Jess owns the chicest clothing boutique in town. And not chosen finally to be on the WCW, either—not that Jess would have said yes, anyway, since she's done with any organization that tries to dictate what makes a “true” witch. No, Jess has been chosen to help save West Harbor itself...

As Summer Ends, Her Power Grows But just when Jess is beginning to think that she and Derrick might have a certain magic of their own—and not of the supernatural variety—Jess learns he may not be who she thought he was. And suddenly Jess finds herself having to trust Derrick and work with him to combat the sinister force battling to bring down West Harbor, or use her gift as she always to keep herself, and her heart, safe. Can she work her magic in time?

During our time together we will also hear from two guest speakers who will share their personal experiences: Master Corporal Julien Dickie and Major (Retired) Robert Lidstone.

Major (Retired) Robert Lidstone: has participated in both classic and complex peacekeeping operations. Since retirement in 2000, he has worked in various NGOs and international organizations in conflict and post-conflict societies. He also delivers pre-deployment training to the armed forces of various nations (mostly Asian) as part of the Global Peace Operations Initiative. Major (Retired) Robert Lidstone is a speaker with The Memory Project of Historical Canada.

Master Corporal Julien Dickie: is an Avionics Technician (he fixes helicopters). He has been serving since 2008. His first posting was to 443 MH Squadron in Victoria BC, and he has been deployed several times over seas on the back of a boat on missions involving the strengthening of ties with other NATO countries. He will speak about the importance of families in the CAF and what they sacrifice to make their missions possible, as well as touch on Canadian values and the importance of strengthening relationships with other countries.

FALL BACK!

Canadians in most time zones can “fall back” on Saturday, Nov. 4 this year before they head to bed, as the clocks roll back in the wee morning hours of Nov. 5 while most people are sleeping. However, The Yukon, most of Saskatchewan and some parts of British Columbia and Quebec stay on standard time.
